DB eDREAMS

Issue No : 2

December 2022

Don Bosco says:

“Servite Domino in laetitia!” (Serve the Lord joyfully!)

“Always be cheerful, but let your smile be sincere.”

“Everything / everyone is won by the sweetness of our words and works.”

“Without trust and love, there can be no true education.”

“In whatever you do, think of the Glory of God as your main goal.”

FROM Fr. Rector's DESK

It is wonderful to be in touch with you all again, my dear students, faculty and staff members, through this eMagazine. December is a wonderful month since it is winter and there is an air of joyful ambience leading us to celebrate the joys of Christ's birth. Incidentally, this year you are all now getting into the mood of semester examinations as well. Hence, it is a time or a period of preparation, expectation and longing. This is good. So, “Be alert!” “Be watchful!” “Be ready!” Remember that plenitude of joy can burst forth only when it is wrought by good and hard work! Joy is not just a feeling it is an elevation of the human mind and soul to serenity, contentment, delight and exuberance. Christmas season brings “good tidings of great joy” and proclaims that “the joy of the Lord is my strength!” This joy of the Lord our God would remove all forms of anxiety, grief, sickness, hardship, and disaster. So, I am delighted to wish you all and your family members, the Joy of the Lord in this festive Christmas and New Year season!

- Rev. Dr. Edwin George Ph. D., SDB. (Rector / Secretary)

FROM Fr. Principal's DESK

The season of Christmas is here. The Globe is busy in advertising and promoting the purchase of gifts, greeting cards, candles, cakes and crib sets. The highly commercialized Christmas feast and its month-long and colorful celebrations are all that we witness every year. The Christmas season can be a time of attraction as well as distraction for many of us if we allow ourselves to focus too much on the external celebration rather than focusing on what we can offer by way of sharing with others especially the poor and the needy. In the words of St. Margaret Mary, “The giver is always greater than the gifts.” The giver is Jesus, and He wants not only to provide for us and bless us but to transform us and help us grow in holiness and wisdom. So Jesus is the precious gift offered for all of us that we can receive him in our hearts and share the inner experience of the real joy and peace through our own sacrifices, caring and helping the deprived people around us. May the Child Jesus bless us all !

- Rev. Dr. Angelo Joseph SDB (Principal)

EVENTS

Sports Achievements

Don Bosco College, Dharmapuri has always been an inevitable part and parcel of the college and has given due importance to the talented and able sports persons. Bringing honour and laurels to the college is the main goal of the department. Thus, since 2007 Don Bosco College has bagged many victories and has carved a niche for itself in the Salem Periyar University. This academic year too our college Sports teams have won several trophies and medals.
